Sir,

In reply to your Official Memorandum No. 4584 of 7th April 1906 forwarding a petition from Kariappa of Bukanahalli, Honnalli Taluq, praying that the management of the Benkappadevaru temple in the village may be taken over by Government, I have the honor to submit herewith the entire record connected with the affairs of the said temple. and an English Memorandum containing the facts of the case. I am of opinion that the temple being endowed with Inam land, counter-Petitioner Halappa has nothing to do with either as

the

the Utsava Murti or the jewels belonging to it and that the orders passed by Mr. Puttanna Chetty in December 1902 when he was Deputy Commissioner of this ex District must be given effect to. A regular inventory of the temple property should be taken and the jewels kept in safe custody. Competent Dharmadarshees being appointed to keep correct accounts of the temple income and expenditure.

Memo

The temple of Vinayeka devara at Benakanhalli is in the enjoyment of the marginally noted Inam lands and is therefore a Muzrai Institution, though not under the direct management of Government.

2 There are 2 factions in the village. The petitioner Karappa and the counter-petitioner Halappa stand as leaders of each party. The counter-petitioner and the Pujari of the temple owe allegiance to the Ayya of Panchamsale Seet, whereas the petitioner and his followers are disciples of the Ayya of Sadar Seet. About the year 1896 the Sivachar community of the whole village resolved to give up sending for Brahmin purohits and chose 2 Ayyas (one belonging to Panchamsale Seet and the other of Sadar Seet) for officiating as purohit on the occasion of car-festival for 3 years each by rotation

The Purohitship was first offered to Ayya of Panchamsale Sect and the car-festival was celebrated for 3 years without any disturbance. The Utsava Murti was being then kept in the temple. On the occasion of the car-festival in the 4th year when the turn of the Sadar Ayya came, the counter-Petitioner seems to have advised the Petitioner not to give preference to the Sadar Ayya, and on his declining to do so, the counter-Petitioner petitioned the Amildar that the action taken by the Petitioner was against Shastra and that steps should be taken to prevent the celebration of the car-festival presided over by the Sadar Ayya at the instance of the Petitioner. The Amildar thereupon sent the Police Daffedar to the spot and he reported that as both the parties expressed their unwillingness to settle the dispute amicably, he returned A B

to the Head Quarters leaving
instructions with the Vakil to
report in case his presence
was needed. It was reported
that the dispute did not end
amicably and the Amildar
thereupon held departmental
C enquiry into the matter and
decided that the Petitioner
and his followers might cele-
brate the bar-feast under
the purohitship of Sadar Appa
as per terms of the settlement
effected amongst the villagers
4 years ago. The counter-Peti-
tioner on learning of this ex
decision seems to have re-
moved the Utsava Murti ex
kept in the temple to his house.
D The Petitioner subsequently
lodged a complaint of theft
before the Amildar who took
it up on the Revenue side and
(E. & C) reported the facts of the case
to the Assistant Commissioner,
erroneously stating that the
temple was not endowed with
any Inam. The Assistant-
Commissioner thereupon ordered
F. (Order No. 442 of 4th November

1900) that as the temple was not endowed with any Inam, it was not a Muzrai Institution and the interference of the Government seemed to be unnecessary.

The Amildar in the year 1902 reported to the Assistant Commissioner that his former Istilla to the effect that the temple was not endowed with any Inam was incorrect and that the order passed thereon by the Assistant Commissioner required revision. The records were then submitted by the 2nd Assistant Commissioner to the Deputy Commissioner with a recommendation that that the affairs of the temple might be taken under the Government management. The then Deputy Commissioner (Mr. K. L. Puttanna Chetty) ex directed by an order No. 1375 of 22nd December 1902 that the Utsava Murti should be placed in the temple, that the jewels of the deity should

be entrusted to a respectable person of the place duly obtaining from him a Muchalika for their safe custody that after making a list of all the jewels in the presence of both the contending parties, they should be advised to settle the dispute amongst themselves and celebrate the car-festival as per Manual. He further pointed out that though the institution had not been under the Management of the Muzrai department, the local officers should exercise their control over it and prevent mismanagement of its affairs.

The Petitioner and others in the year 1903 brought to the notice of the Assistant Commissioner that the order of the Deputy Commissioner (D) was still held in abeyance by the Taluk Authorities, and prayed for permission to celebrate the car-festival

as decided by the Deputy Commissioner in the year 1902. Upon which, the Amildar was called upon to explain why the Deputy Commissioner's order of 1902 was not given effect to. The Amildar submitted the records with a report that the reason for not carrying out the said orders was due to the neglect of the Deputy Munshi who failed to bring the records to the notice of either his predecessor or himself in time. The Assistant Commissioner thereupon returned the records to the Amildar with instructions to carry out the orders of the Deputy Commissioner early. The Amildar sent for the contending parties and took their statements with regard to the jewels of the temple in the possession of both the petitioners and the counter-Petitioner. The Petitioner

admitted that he had in his possession silver jewels ~~as~~ valued at about Rs 50/- and offered to give them over to any one, the Amildar might name. The Counter-Petitioner also admitted that he had in his possession gold ~~+~~ and Silver jewels valued at about Rs 1000/- but refused to hand them over to anybody. He further stated that the Utsava Murti could be kept in the temple only on the ~~as~~ occasion of bar. festival as that the car festival ~~+~~ would not be allowed to be celebrated if Panchamasale Ayya is not to officiate as Purohit. Witnesses cited by both parties and other disinterested persons of the place were examined by the Amildar. From enquiries made by him, it was ~~as~~ ascertained that the temple Utsava Murti and the jewels were the common property of the village Community

and the bar- festival and other
Utsavams were being observed
by the villagers with the help
of contributions, if the temple
income consisting of land
income and receipts from
Hundis fell short. The Amil-
dar thereupon reported to the
Assistant Commissioner to
permit him to prosecute the
counter- Petitioner for dis-
obedience of the orders issued
by a Competent authority,
and the Assistant Commissioner
submitted the records for
the orders of the Deputy Com-
missioner on the ground
that the order of the Deputy
Commissioner was not
directed to the person who
is in the custody of the
Utsava Murti and so further
proceedings could not be
taken against him.

The case was thereupon
taken on the file of the Deputy
Commissioner. Further
enquiry into the case was

also

also ordered to be held by the Amildar. The records of further enquiry disclose

(1) That the village consists of 185 families consisting of a population of 949 souls (including 181 children) of which 129 families belonged to the Sivachar Sect and 25 families out of 56 other Hindus are the devotees of this Institution

(2) That 55 families are in favor of the Utsava Murti being kept in the temple.

(3) That 47 families are in favor of the Utsava Murti being kept in the Counter-Petitioner Halappa's house.

(4) That some of the remaining families appear to be neutral but wish the interference of Government.

Dt

It was reported by the Amildar that the brass idol which is only 10 inches high could be safely kept in the temple which is provided with doors &c a being situated in the village and that the temple having been endowed with Inam land the Counter-petitioner could not claim the temple property as his.

Both the parties appeared before the Deputy Commissioner and Mr. M. S. Narasinha Rao Deputy Commissioner passed the following order on the 3rd March 1906.

"There are two parties in the village, one have a Panchamasale Guru and the other has one of Sadar Sect. The Pujari owes allegiance to the former and does not insist upon the idol being kept in the temple. He is responsible

for the safety of the property belonging to the temple including the Utsava Murty. The present arrangement may therefore be allowed to continue if Halappa (Counter-Petitioner) gives an undertaking to allow the idol for worship whenever required by the present pujari and he gives that undertaking. It will be time for considering what arrangements should be made when the present pujari is changed and when owning allegiance to Sadar Bijaya is appointed."

Petitioner Kariappa appeals to Government against this order and prays that disinterested persons may be appointed as Dharmadarsis to manage the affairs of the institution or that the management of the institution together with its endowment and property may be taken

taken under the direction
supervision of the Khurzai
Department.

No. 343. Encs 2 files (ending with Amildar's No. 968 dated 14.4.07)

With reference to his docket No. 2389 dated 5th March 1907 calling for a report regarding the action taken in the matter of taking over under Government management the Temple of Vinayaka Devaru at Benakanahalli, Honnali Taluk, has the honour to forward herewith the entire record connected with the subject received with the Amildar's report No. 967 dated 14/4/07. The report shews that the Utsava idol

idol has been handed over to Pujari Benakappa on his undertaking to keep the same always in the temple so as to be available for worship by all devotees. Owing to the existence of factions in the village, however, the jewels have all been deposited in the Taluk Treasury. The Amildar says that he has made arrangements to give the jewels in course of time to the possession of the Patel who is a respectable and well-to-do man. The list of persons who may be appointed as Dharmadarsis is enclosed in the record.

As regards the petition of Halappa and others received with the docket under reply, it does not seem expedient to give to Halappa the possession of the Utsava

— Utsava idol and the jewels
as he is the leader of one of
the parties in the village. The
Amildar's suggestion regarding the
holding of the car-festival by
both the parties by turns may
be approved.
